These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

LOCATION

This property is located on the eastern side of Bank Street on its junction with Tufton Street in the centre of Ashford. This is an extremely prominent location just outside the pedestrianised area and accordingly benefits from a very high volume of passing traffic.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station gives direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.

DESCRIPTION

This building of solid brick construction under a slate roof provides a little under 1,400 sq.ft. of accommodation on the ground floor with a sales area of some 1,147 sq.ft. with further office/storage accommodation of 222 sq.ft. to the rear along with WCs and kitchen facilities. There are two car parking spaces in a rear covered car park/garage shared with the upper floor offices.

The premises were formerly occupied by Lloyds TSB as a bank, however they are now vacant and available for a variety of uses within the 'E' planning use class, and other uses subject to planning permission as required.
