These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

## LOCATION

This property is located on Orbital Park close to Junctions 10 and 10a of the M20 motorway. Orbital Park is a strategic local, national and international location situated within the Channel Tunnel corridor and an area designated for significant commercial expansion. The Glenmore Centre itself is on Crowbridge Road, at the entrance to the park from the western side when approached via Newtown and the International Station.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station gives direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.

## DESCRIPTION

This end-terrace business unit was completed just over 14 years ago and currently provides high quality office space with two rooms on the ground floor and two on the first floor, totalling a little over 2,100 sq.ft. These are very well-appointed offices fitted out with air conditioning, triple compartment skirting trunking and LED lighting. The Glenmore Centre itself is a scheme of some 27 units of steel portal frame construction, having micro-rib cladding with attractively glazed features.

## INCOME

The property is let to EY UK (part of Ernst & Young) on a lease which expires in December 2025 at a passing rent of £24,000 pa. More details on request.
