These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

LOCATION

This property is ideally located on the well established White Cliffs Business Park, with good access to the A2/A256 Cloverleaf junction. Dover, one of Europe's busiest freight ports, is located on the South East coast of Kent. It has a population of approximately 40,000 inhabitants and benefits from a fine communications network via the A2/M2, M20 and the harbour port.

DESCRIPTION

Unit 4 is a mid-terraced unit of steel portal frame construction under insulated profiled steel cladding. The unit is currently still under construction, with anticipated completion in August 2023. It will be finished partly to a shell specification, with exposed concrete flooring and walls but has been fitted with LED lighting and power sockets. On the ground floor there is a small kitchenette and DDI compliant WC. There is an electric roller shutter door measuring 10'9 wide and 9'3 in height. Externally, there is parking for 2 vehicles, one space is in front of the roller shutter door and there is a 230V electric charging point for vehicles. There is a shared block paved parking area in the centre of the estate providing overflow parking for all the units.
