LOCATION

This property is located in the centre of Ashford, Middle Row being at the junction of North Street and High Street in the centre of town. The property faces west towards the High Street and is extremely prominent.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station gives direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.

DESCRIPTION

This is an attractive Grade II listed building in the centre of Ashford town, which provides a great opportunity to acquire a centrally located public house.

The first and second floors are to be let separately and planning permission has been granted for residential development of the upper floors. This planning permission also allows alterations to the basement to provide an additional bar area along with new WC facilities on the ground floor. The application can be viewed on the Ashford Borough Council planning site under application reference 18/01470/AS.

The prominent location presents a unique opportunity for someone to re-open as a pub in the centre of town.
