LOCATION

Unit 7 is located at the rear of the estate off Foster Road on the Sevington Business Park which itself is located on the western side of the A2070 (Bad Munstereifel/Orbital Road), only a couple of hundred yards south of Junction 10 of the M20 motorway. These units were built in the 1990s and form part of a well-established complex with many units being used as trade counters.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station can give direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.
