These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

LOCATION

The Glenmore Centre is located on Orbital Park close to Junctions 10 and 10A of the M20 motorway. Orbital Park is a strategic local, national and international location situated within the Channel Tunnel corridor and an area designated for significant commercial expansion. The Glenmore Centre itself is off Crowbridge Road at the entrance to the park from the western side when approaching from Newtown and the International Station.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline rail links; Ashford International Passenger station can give direct access to northern continental Europe via the Eurostar service, and London is some 38 minutes distant via HS-1.

DESCRIPTION

This mid-terraced business unit was completed nearly 20 years ago and currently provides high quality, open plan office accommodation on the first floor, whilst the ground floor is fitted out to a more industrial specification. The first floor offices are finished to a high standard with suspended ceiling, concealed LED lights, double glazing to both front and rear elevations, carpets and air conditioning providing a little under 1,000 sq.ft. of accommodation. The ground floor, having a clear height of 3 metres, is finished to a more basic specification but again is in very good condition.

The Glenmore Centre itself is a scheme of some 27 units of steel portal frame construction having micro-rib cladding with attractively glazed features.

ACCOMMODATION

Ground Floor:	1,027 sq.ft.
First Floor:	<u>954 sq.ft.</u>
	1,981 sq.ft.

SERVICES

Mains gas, water, telecoms and 3-phase electricity are connected to the premises.
